

Circular Cutter

Option: Universal Fixing Module for Circular Cutter

Circular Cutter

Working area	Diameter 0 - 250 mm
Controls	Axis selection, direction selection, speed control
Material	Aluminium
Traversing speed	10 - 400 mm/min
Space requirement (Ø x H)	730 mm x 560 mm
Drive	Brushless DC motor
Weight	10.0 kg
Size transportation and storage case (L x W x H)	825 x 520 x 290 mm
Article number	C04.01.00.00.0.00.A

Control Panel

Electric Power	24 V from 2 x 10 rechargeable batteries with 3300 mAh, 2 battery packs
Cable length	15 m (other lengths if requested, up to 200 m)
Weight	5.0 kg
Size transportation and storage case (L x W x H)	340 x 295 x 150 mm
Article-No.	C03.01.45.00.0.00.A

Universal Fixing Module for Circular Cutter

Working area	Diameter 250 - 800 mm
Material	Aluminium
Space requirement (Ø x H)	1400 mm x 750 mm
Vacuum pump	230 V AC / 270 W / suction performance 75 l/sec.
Suction force per foot base plate	Up to 500 N
Weight	10.0 kg (+ 6.5 kg vacuum pump)
Vacuum hose length	2 x 25 m (other length on request)
Size transportation and storage case (L x W x H)	825 x 520 x 290 mm
Article-No.	C04.01.46.00.0.00 A
